

Proposed Measures

1. Mandate SV questions (aligned to Corporate Plan objectives) in all relevant invitations to tender (greater than £100k for works and services).
2. Mandate a maximum of 5% of the marks for SV.
3. Monitor SV delivery against the contractor's tender undertakings.
4. Amend contract documentation to include an undertaking from contractors to deliver SV.
5. Monitor the relevant tender results and report to SLT any detected SV price premium.
6. Contact local business organisations to develop and deliver a programme for local business to improve their SV and public procurement knowledge and skills.
