**Applicant: Country House Weddings Limited.**

**Premises: Holmewood Hall, Church Street, Holme,  
Peterborough PE7 3BZ**

Dear Sir,

I am writing to send my concerns regarding the application for an entertainment and alcohol license at Holmewood Hall.

Although I do not oppose the license in theory, I believe that granting the license until 01:00 hours is inconsiderate to the local residents.

The Hall is situated in the village and close to local residents' property however at night there is no background noise and it is very quiet therefore any noise travels and is very disturbing even to properties some distance away giving the potential to affect a considerable number of village residents. After all, most people choose village life for the peace and quiet and this could potentially impact on many residents.

My concern is not only the noise generated but what time guests will be leaving the premises and also eventually catering staff.

This a seven day a week wedding venue so potentially the village could be subjected to a lot of disturbance during the school and working week.

I would therefore like to propose that any license granted is to 12:00 midnight, with a restriction on the use of fireworks as I also have concerns for a property close to the Hall which is thatched.

The Hall, grounds and surrounding area are also a haven for wildlife and I feel for the impact on them.

I believe that the previous licence granted to British Sugar was fair, although I know that residents close to the Hall were affected by noise on occasions.

Thank you for your time in this matter,

Yours Sincerely,

[REDACTED]

## Mardon, Sarah (Licensing)

**Commenter Type:** Member of the Public

**Stance:** Customer objects to the Licensing Application

**Reasons for comment:**

- Noise Disturbance
- Opening Hours
- Traffic

**Comments:** 6:31 PM on 28 Apr 2019 Such hours are wholly inappropriate for a property in a residential area. We are already to be affected by the increase in traffic and noise that will arise when the hall is open, and this will only just be bearable until 11pm which is what we were led to believe would be the case. Extending the hours until the early hours, every day of the week, is totally unacceptable and will be detrimental to the quality of life and sleep of the local residents. There will be noisy guests waiting for their transport at all hours, car engines running whilst they wait/are picking up guests, vehicles will be going in and coming out of the hall's entrance and all of this at any hour of the night and early hours of the morning.
