

Godmanchester Neighbourhood Plan Decision Statement

1. Summary

- 1.1. Following an independent examination Huntingdonshire District Council's Cabinet has confirmed that the Godmanchester Neighbourhood Plan will proceed to a Neighbourhood Planning Referendum.

2. Background

- 2.1. The Godmanchester neighbourhood area was designated on 11 March 2015 under the Neighbourhood Planning (General) Regulations (2012). The Plan covers the town of Godmanchester which is contiguous with the Town Council's administrative boundary.
- 2.2. Godmanchester Town Council, as the qualifying body, initially submitted the Godmanchester Neighbourhood Plan and its supporting evidence to Huntingdonshire District Council. The statutory six week submission consultation was held from 8 May to 19 June 2017.
- 2.3. Huntingdonshire District Council, in discussion with Godmanchester Town Council, appointed an independent examiner, Jill Kingaby MRTPI, to review whether the submitted Neighbourhood Plan met the Basic Conditions as required by legislation. Ms Kingaby issued her report on 30 August 2017 which recommended that the Neighbourhood Plan, subject to the modifications proposed in her report, met the Basic Conditions and should proceed to referendum.
- 2.4. The Basic Conditions are:
 - Having regard to national policies and advice contained in guidance issued by the Secretary of State, it is appropriate to make the neighbourhood plan
 - The making of the neighbourhood plan contributes to the achievement of sustainable development
 - The making of the neighbourhood plan is in general conformity with the strategic policies contained in the development plan for the area of the authority
 - The making of the neighbourhood plan does not breach, and is otherwise compatible with, European Union (EU) obligations and
 - Prescribed conditions are met in relation to the neighbourhood plan and prescribed matters have been complied with in connection with the proposal for the neighbourhood plan.

Regulations 32 and 33 of the Neighbourhood Planning (General) Regulations (2012) (as amended) set out two basic conditions in addition to those set out in primary legislation and referred to above. These are:

- The making of the neighbourhood plan is not likely to have a significant effect on a European site or a European offshore marine site either alone or in combination with other plans or projects
- Having regard to all material considerations, it is appropriate that the neighbourhood development order is made where the development described in an order proposal is Environmental Impact Assessment development (this is not applicable to this examination).

3. Decision

3.1. Huntingdonshire District Council's Cabinet considered the recommendations on 12 October 2017 and agreed to accept the Examiner's proposed modifications and approve the Godmanchetser Neighbourhood Plan to proceed to referendum.

3.2. The modifications to the Neighbourhood Plan, as needed to ensure it meets the Basic Conditions and in accordance with the Examiner's recommendations are listed in the following table.
