Dear Sirs

**Environmental Protection Act 1990 - Part 1
Authorisation 1/92 – Waste Oil Burner
Burgess & Walker Transport, Old Railway Line Industrial Estate, Needlingworth Road, St
Ives, Huntingdon**

I am writing to confirm that a compliance inspection was undertaken with regards to the above Authorisation. Upon inspection the waste oil burner appeared to be well maintained with regular servicing, as it was demonstrated that even on start-up no visible smoke is produced. Hence, I am satisfied that the conditions in the Authorisation are being complied with.

If you have any questions please contact me on the number below.

Yours sincerely
