Dear Sir

**ENVIRONMENTAL PROTECTION ACT 1990 PART I: AUTHORISATION FOR CONCRETE BLOCK MANUFACTURING PROCESS**

Thank you for consulting the Health and Safety Executive about the above application for concrete block manufacturing process at Meadow Lane, St Ives submitted by Marshalls Mono Ltd. Details of the application are noted for our records.

This process involves the use of, or may give rise to, substances likely to be subject to the Control of Substances Hazardous to Health Regulations 1988 (COSHH). Occupational exposure limits for a range of substances have been assigned under COSHH. Details of these standards are given in the current edition of Guidance Note EH40, published annually by HMSO.

I confirm that HSE is responsible for enforcing health and safety legislation at these premises. In our assessment of this application we have not identified significant elements of conflict or ambiguity with health and safety at work issues. However, if your consideration of the application suggests that these conflicts might develop then please let me know. I would be pleased to discuss these with you before you make a determination.

It is suggested that the following text may be a useful reminder to the applicant and could be included in any covering letter sent with the authorisation: "This authorisation is issued under Part 1 of the Environmental Protection Act 1990. The responsibilities you have under legislation for health, safety and welfare in the workplace remain in force".

When the authorisation is issued I would be grateful if you would forward a copy to me for retention, so that it may be consulted at any future visit to the premises.

Yours faithfully

J B BENTLEY  
HM Principal Inspector of Factories

Mr D Sefton

Dear Sir

Re: **STATUTORY CONSULTATION - THE ENVIRONMENTAL PROTECTION  
(APPLICATIONS, APPEALS AND REGISTERS) REGULATIONS 1991**

I wish to make the statutory consultation regarding the attached application for authorisation of a prescribed cement process by the Marshalls Mono Limited, Meadow Lane, St Ives.

The contact at the Company is Mr David Sefton, whose telephone number is 0480 61639.

Should you wish to discuss this matter further, please contact the Officer whose name and telephone number appears above.

Yours faithfully

**ASSISTANT DIRECTOR (ENVIRONMENTAL HEALTH)**
