Dear Mr Sefton

**Environmental Protection Act 1990, Part 1**  
**Authorisation to operate a Prescribed Process**

I confirm my visit on 1st July 1996 at which time a routine visit of the process was carried out.

I was satisfied that the current operations complied with the conditions within authorisation reference 2/93

A review of the conditions contained within your authorisation will be carried out and I will inform you in the near future if it will be necessary to vary your authorisation.

Should you have any questions regarding any of the above matters or wish to discuss the conditions of your authorisation please do not hesitate to contact me.

Yours sincerely

**Jo Spittle**  
**Environmental Health Officer**
