Dear Mr Sefton

**Environmental Protection Act 1990 - Part 1  
Authorisation 2/93 (as amended)  
Marshalls Mono Limited, Meadow Lane, St Ives**

I am writing to confirm that a routine compliance visit was undertaken on 11 January 2000, at which time a Mr Jason Howard showed me around the site and answered questions pertaining to the conditions of the above Authorisation.

I was satisfied that at the time of my visit the operations on site complied with the conditions in the Authorisation.

Also discussed with Mr Howard was the need to bring the process description contained within the Authorisation up to date. At present this does not reflect the process plant on site. In due course I shall send a draft description for you to amend.

If you have any questions regarding any of the above please contact me on the number below.

Yours sincerely

**Chris Watkin
