Dear Mr Morley

**Pollution Prevention and control Act 1999  
Pollution Prevention and Control (England and Wales) Regulations 2000  
Permit24/93 – Vehicle Respraying  
Gladwins Limited, Church Road, Warboys**

I have the pleasure submitting our VOC summary for 2007.

We have over the past year at Warboys been testing various new paint schemes from various suppliers and have now chosen to use the latest fully compliant Sikkens products.

We had a slightly higher VOV usage compared to 2006 but this is relevant to the increase in our turnover.

We are still however working closely with our suppliers to further reduce our VOC usage with the implementation of improved products and systems of application & use.

We hope you find this satisfactory and should you need any further assistance please do not hesitate to contact me.

Yours sincerely

Paul Ostojic  
Operations Director
