

WATER RESOURCES ACT 1991**Notice of Applications to Vary Licences to Abstract Water**

Take notice that Samuel Jones & Company Limited of Butterfly House, St Neots, Huntingdon, Cambs PE19 4EE is applying to the National Rivers Authority to vary the following licences:

Licence No 6/33/22/20/22

To abstract water from underground strata (Gravels) at National Grid Reference TL 1860 6196 at the above address.

The variation being applied for is to increase the quantities abstracted

- a) from 0.9 to 20 cubic metres per hour;
- b) from 18.2 to 150 cubic metres per day;
- c) from 6819 to 25,000 cubic metres per year;

and to increase the area on which the water is used.

Licence No 6/33/22/34/23

To abstract water from the River Great Ouse at National Grid Reference TL 1855 6192 at the above address.

The variation being applied for is to increase the quantities abstracted

- a) from 48 to 100 cubic metres per hour;
- b) from 345.5 to 1500 cubic metres per day;
- c) from 136,380 to 300,000 cubic metres per year;

and to increase the area on which the water is used.

On the granting of these applications, Licence no 6/33/22/19/23 to abstract 97,727 cubic metres of water per year from the River Great Ouse, is to be revoked.

A copy of the applications and any map, plans or other documents submitted with them may be inspected free of charge at all reasonable hours at:

Security Gatehouse Number 2
Samuel Jones & Company Limited
Butterfly House, St Neots
Huntingdon, Cambs PE19 4EE

between 25/4/94 and 31/5/94.

Any person who wishes to make representations about the application should do so in writing to:

The National Rivers Authority
Anglian Region, Central Area
Bromholme Lane, Bampton
Huntingdon PE18 8NE

before the end of the said period.

Signed
D.G. TURNER
On behalf of Samuel Jones & Company Limited

For the attention of John Allen, Environmental Health Officer

Dear Sir

**ENVIRONMENTAL PROTECTION ACT 1990 PART 1
AUTHORISATION FOR A TIMBER PROCESS**

Thank you for consulting the Health and Safety Executive about the above application for authorisation for a timber process consisting of the manufacturing treatment, extraction and combustion of timber at David Smith (St Ives) Limited submitted by Mr M A Smith. Details of the application are noted for our records.

This process involves the use of, or may give rise to, substances likely to be subject to the Control of Substances Hazardous to Health Regulations 1988 (COSHH). Occupational exposure limits for a range of substances have been assigned under COSHH. Details of these standards are given in the current edition of Guidance Note EH40, available from HSE Books, PO Box 1999, Sudbury, Suffolk CO10 6FS.

You may also wish to know that the Notifications of Installations Handling Hazardous Substances Regulations 1982 and/or the Control of Industrial Major Accident Hazards Regulations 1984 apply to these premises.

I confirm that HSE is responsible for enforcing health and safety legislation at these premises. In our assessment of this application we have not identified significant elements of conflict or ambiguity with health and safety at work issues. However, if your consideration of the application suggests that these conflicts might develop, then please let me know. I should be pleased to discuss these with you before you make a determination.

It is suggested that the following text may be a useful reminder to the applicant and could be included in any covering letter sent with the authorisation:

"This authorisation is issued under Part 1 of the Environmental Protection Act 1990. The responsibilities you have under legislation for health, safety and welfare in the workplace remain in force."

18 APR 1994

When the authorisation is issued I would be grateful if you would forward a copy to me for retention so that it may be consulted at any future visit to the premises.

Yours faithfully

A handwritten signature in black ink, appearing to read 'T M Woolmer', with a stylized, cursive script.
