Dear Mr Large

**The Pollution Prevention and Control Act 1999  
The Environmental Permitting (England and Wales) Regulations 2010 as amended**

Reference: B02/97  
Operator: Hanson Aggregates  
Installation: St Ives Asphalt Plant Meadow Lane St Ives PE27 4LG

I refer to your application to mothball the above permit. A copy of the application has been placed on the public register held at this department. Your application has been assessed and Huntingdonshire District Council has accepted your application to mothball the permit.

The holder of a mothballed permit is liable for 40% of the full subsistence fee which will come into affect when the next subsistence period starts in April.

I would like to advise you that as the operator it is your responsibility to notify this department, in writing, when production re-starts. Failure to do so may result in formal action being taken against you and additional points added to your risk assessment.

If you have any questions please contact this department at the number below.

Yours sincerely
