

Vehicle resprayer inspection check list.

Reference: B01/01  
Inspecting Officer: Dave Bass

Date: 26/6/08  
Person discussed with: Pasc Di Salvo

Have there been any serious problems with the spraybooths? E.g. breakdowns

No

What maintenance is undertaken on the spraybooths?

Maintenance program for the different booths by their respective manufacturers (Dolby and Todd Engineering). Booths are serviced roughly twice a year. Filters are changed internally every Saturday morning.

Are records kept for this maintenance?

Maintenance program records are kept. No records kept of filter change.

What training do the sprayers undertake?

Training by manufacturers and paint suppliers of both existing and new products.

Are records kept of this training?

Yes

Where are the empty paint tins kept?

In sealed drums

How are they dried?

Tins are usually dry but sealed drums prevent odours escaping
