

Application for a Permit for a Mobile Plant

Local Authority Pollution Prevention and Control

Pollution Prevention and Control Act, 1999

Environmental Permitting (England and Wales) Regulations 2010 as amended

When to use this form

Use this form if you are applying for an environmental permit to a Local Authority to operate mobile plant crushing and screening brick tile and concrete as defined in Schedule 1 to the Environmental Permitting Regulations.

The appropriate fee must be enclosed with the application to enable it to be processed further.

When complete, send the form and the fee and any additional information to:

Environmental Protection Officer, Environmental Health Department, Huntingdonshire District Council, Pathfinder House, St. Mary's Street, Huntingdon PE29 3TN or e-mail: envhealth@huntingdonshire.gov.uk.

If you need help and advice:

We have made the application form as straightforward as possible, but please get in touch with us at the local authority address given above if you need any advice on how to set out the information we need, or telephone 01480 388363.

For the purpose of Section H of the form, a relevant offence is any conviction for an offence relating to the environment or environment regulation.

Before you start to fill in this form

You are strongly advised to contact the Environmental Protection Officer to discuss the application and also read the relevant Process Guidance Note and the Defra general guidance manual which can be obtained, free of charge from <http://www.defra.gov.uk/industrial-emissions/las-regulations/guidance/>.

Other documents and continuation sheets you may need to submit

There are number of other documents or continuation sheets you may need to send us with your application. Each time a document or continuation sheet is made in the application form you will need to record a document reference number for the document or documents that you are submitting in the space provided on the form for this purpose. Please also mark the document(s) clearly with this reference number.

Copies and fees

Please only send the original all other supporting material, to assist the Authority in conducting any necessary consultation process. If submitting the form electronically no duplicate copies are required. It is this Authority preference to receive the documents electronically.

Cheques should be made payable to Huntingdonshire District Council, however, the District Council can also accept electronic payments. Please speak to the Environmental Protection Officer should you wish to pay electronically.

A - Introduction

A1 Details of the plant

Make: KLEEMAN

Model: MORICAT MC110Z

Serial number: K004-0234/411000251

Please provide the information requested below about the "Operator", which means the person who it is proposed will have control over the installation in accordance with the permit (if granted)

A2 The Operator – Please provide the full name of company or corporate body

Name MICK GEORGE LIMITED

Trading/business name (if different)

Registered Office address MEADOW LANE, ST. IVES,

CAMBRIDGESHIRE

Postcode PE27 4YQ

Telephone number 01480 498099

Principal Office address (if different)

Postcode

Telephone number

Company registration number 2417831

A3 Holding Companies

Is the operator a subsidiary of a holding company within the meaning of Section 1159 of the Companies Act 2006? If yes please fill in details of the ultimate holding company.

No

Yes

Name of ultimate holding company

Registered office address

Postcode

Telephone number

Company registration number

A4 Who can we contact about your application?

It will help is to have someone who we can contact directly with any questions about your application. The person you name should have the authority to act on behalf of the operator. This could be an agent or consultant rather than the operator.

Name MICK PRESTIDGE

Position TRANSPORT MANAGER

Address MICK GEORGE LTD, MEADOW LANE,
ST IVES, CAMBRIDGESHIRE

Postcode PE27 4YQ

Telephone number 01480 499111

E. Mail address mickp@mickgeorge.co.uk

A5 Who can we contact about your installation once the permit is issued?

Once the permit is issued it will help is to have someone who we can contact directly with any questions about the permit. If the person is different from the contact details in A4 please supply details of contact.

Name MICK PRESTIDGE

Position TRANSPORT MANAGER

Address MICK GEORGE LTD, MEADOW LANE,
ST IVES, CAMBRIDGESHIRE

Postcode PE27 4YQ

Telephone number 01480 499111

E. Mail address mickp@mickgeorge.co.uk

B The mobile plant

B1 What activities are, or will be, carried on in the mobile plant? Please include “directly associated activities” (this term is explained in Annex III in Part B of the [general guidance manual](#)).

☒
☐

- Crush brick, tile and concrete
Screen, brick tile and concrete

B2 Why is the application being made?

☒

New plant

B3 Will you either:

a) List the screens applied for and give their serial numbers in this application form

☐

Yes

☐

No

b) Submit a list of plant with serial numbers and notify the authority in writing with a revised list before any different equipment is used?

☒

Yes

☐

No

C The details

Note: “dusty material” should be taken to be any material which can be wind-entrained. It excludes, for example, >3mm material and scalping.

C1 Is the crusher? (tick all that apply)

- a) Fitted with water sprays at the feed and the conveyor discharge
b) Is the conveyor full enclosed
c) Other – please specify _____

☒

C2 Will you wet material before it is crushed?

☒

Yes

☐

No

If yes, how will you do that? _____

C3 Which of the following methods will be use to minimise emissions at belt conveyor transfer points, including free fall of material? (tick all that apply)

- a) Enclosed
- b) Enclosed and ducted to arrestment equipment
- c) Fitted with a chute
- d) Other – Please specify: _____

✓

D Anything else

Please tell us anything else you would like to take account of.

Document reference: _____

E Application fee

You must enclose the relevant fee with your application.

Please confirm with the Environmental Protection Officer on 01480 388363 regarding the correct fee.

If your application is successful you will also have to pay an annual subsistence charge, so please state who want invoices to be sent to.

F Protection of information

F1 Any confidential or national security information in your application?

If there is any information in your application you think should be kept off the public register for confidentially or national security reasons, please say what and why. [General guidance manual](#) chapter 8 advises on what may be excluded. (Do not include any national security information in your application. Send it, plus the omitted information, to the Secretary of State or Welsh Ministers who decided what, if anything, can be made public.)

Doc Reference _____

F2 Please note: Data protection

The information you give will be used by the Council to process your application. It will be placed on the relevant public register and used to monitor compliance with the permit conditions. We may also use and or disclose any of the information you give us in order to:

- a) Consult with the public, public bodies or other organisations,
- b) Carry out statistical analysis, research and development on environmental issues,
- c) Provide public register information to enquirers,
- d) Make sure you keep to the conditions of your permit and deal with any matters relating to your permit,
- e) Investigate possible breaches of environmental law and take any resulting action,
- f) Prevent breaches of environmental law,
- g) Offer you documents or services relating to environmental matters,
- h) Respond to requests for information under the Freedom of Information Act 200 and the Environmental Information Regulations 2004 (if the Data Protection Act allows)
- i) Assess customer service satisfaction and improve our service.

We may pass on the information to agents/representatives who we ask to do any of these things on our behalf.

F3 Please note: It is an offence to provide false etc information

It is offence under regulation 38 of the EP Regulations, for the purpose of obtaining an permit (for you or anyone else), to:

- a) Make a false statement which you know to be false or misleading in a material particular,
- b) Recklessly make a statement which is false or misleading in a material particular,
- c) Intentionally to make a false entry in any record required to be kept under any environmental permit condition,
- d) With intent to deceive, to forge or use a document issued or required for any purpose under any environmental permit condition.

If you make a false statement

- a) We may prosecute you, and
- b) If you are convicted, you are liable to a fine or imprisonment (or both)

H Declaration: A and B for signing

These declarations should be signed by the person listed in answer to question A3. Where more than one person is identified as the operator, all should sign. Where a company or other body corporate is the operator, an authorised person should sign and provide evidence of authority from the board.

Declaration A: I/We certify

EITHER

As evidence of my/our competence to operate this installation in accordance with the EP regulations, no offences have been committed in the previous five years relating to the environment or environmental regulation

OR

The following offences have ~~been~~ committed in the previous five years which may be relevant to my/our competence to operating this installation in accordance with the regulations:

Type	integrated grizzly	double-deck heavy-duty screen	Width x length (mm)	1,300 x 3,340	1,300 x 3,340
Width x length (mm)	1,100 x 1,500	1,000 x 2,200	Discharge height oversize conveyor approx. (mm)	2,900	2,900
Fines conveyor (optional)			Discharge height fines conveyor approx. (mm)	2,970	2,970
Width x length (mm)	650 x 4,000 (6,000)	650 x 4,000 (6,000)	Transport		
Discharge height approx. (mm)	2,700 (3,000)	2,700 (3,000)	Transport height approx. (mm)	4,010 ⁴⁾	4,200 ⁴⁾
Crusher			Transport length without (with) screening unit approx. (mm)	13,840 / 16,750	14,730 / 17,640
Single toggle jaw crusher type	SSIR 1100	SSIR 1100	Transport width without (with) screening unit (mm)	3,000 (3,000)	3,000
Crusher inlet width x depth (mm)	1,100 x 700	1,100 x 700	Transport weight without (with) screening unit approx. (kg)	46,000 / 52,000	47,000 / 53,000
Crusher weight approx. (kg)	16,000	16,000			
Crusher drive approx. (kW)	hydraulic, 132	hydraulic, 132			
Range of setting (mm) ²⁾	60 - 130	60 - 130			
Gap setting	fully hydraulic	fully hydraulic			
Crushing capacity ³⁾					
At CSS 60 mm: approx. from - to (t/h)	95 - 110	95 - 110			
At CSS 85 mm: approx. from - to (t/h)	125 - 160	125 - 160			
At CSS 100 mm: approx. from - to (t/h)	145 - 190	145 - 190			
At CSS 130 mm: approx. from - to (t/h)	180 - 240	180 - 240			
Main discharge conveyor					
Width x length (mm)	1,200 x 9,700	1,200 x 9,700			
Discharge height approx. (mm)	3,400	3,400			

¹⁾ depending on the kind and composition of feeding material, feeding size, kind of primary screening and size of end product.

²⁾ the range of gap setting can be altered by using different toggle plates and/or jaw plates

³⁾ for hard rock, CSS = Close Side Setting

⁴⁾ on flat bed trailer with bed height 550 mm

Basic equipment: Hydraulically folding hopper walls / Vibrating feeder with variable speed drive / Light barrier on the crusher inlet / Full remote control / PLC control system with LCD display / Electric cabinet with two housings, lockable, overpressure system and air mounted

Options: Hopper extension / Lateral fines conveyor / Hydraulic folding jaw crusher (only MC 100 R) / Electric magnetic separator / Preparation for magnetic separator / Low pressure spraying system / Preparation for belt weigher / Belt covers out of aluminium or canvas / Remote maintenance system via GSM-Modem

Due to the continuing development of our MOBICAT plants, all technical data are subject to change without prior notice.
