Dear Sirs

**ENVIRONMENTAL PROTECTION ACT 1990 PART 1
AUTHORISATION FOR MOBILE CRUSHING PLANT**

Thank you for consulting the Health and Safety Executive about the above application for authorisation for mobile crushing plant at Meadow Lane, St Ives submitted by Mick George (Haulage) Ltd. Details of the application are noted for our records.

This process involves the use of, or may give rise to, substances likely to be subject to the Control of Substances Hazardous to Health Regulations 1994 (COSHH). Occupational exposure limits for a range of substances have been assigned under COSHH. Details of these standards are given in the current edition of Guidance Note EH40, available from HSE Books, PO Box 1999, Sudbury, Suffolk, CO10 6FS. Tel 01787-881165 Fax 01787 313995.

I confirm that HSE is responsible for enforcing health and safety legislation for this activity. In our assessment of this application we have not identified significant elements of conflict or ambiguity with health and safety at work issues. However, if your consideration of the application suggests that these conflicts might develop, then please let me know. I should be pleased to discuss these with you before you make a determination.

It is suggested that the following text may be a useful reminder to the applicant and could be included in any covering letter sent with the authorisation:

"This authorisation is issued under Part 1 of the Environmental Protection Act 1990. The responsibilities you have under legislation for health, safety and welfare in the workplace remain in force."

When the authorisation is issued I would be grateful if you would forward a copy to me for retention so that it may be consulted at any future visit to the premises.

Yours faithfully

D Powell
