

Decision document:

Application under the Environmental Permitting (England and Wales) Regulations 2007, SI 2007/3538:

(1) Huntingdonshire District Council has made a final decision as the regulator upon the application from the company known as Wedge Group Galvanizing, whose address is Stafford Street Willenhall West Midlands WV13 1RZ for a permit to operate an installation to operate a hot dip galvanizing process at Old Great North Road, Sawtry, Huntingdon, PE28 5XN.

(2) The council received no representations from the public during the 20 working day period of consultation upon the draft determination from 26 June 2009 to 24 July 2009, which the council has considered in reaching a final decision.

The Council has decided to issue a permit to the operator. The details of this decision and the representation(s) are available to view on the public register free of charge. It is held at Huntingdonshire District Council, Pathfinder House, St Mary's Street, Huntingdon, PE29 3TN and can be viewed between Monday and Thursday 09:00 to 17:00 and Friday 09:00 to 16:30
