Dear Mr Chambers

**The Pollution Prevention and Control Act 1999  
The Environmental Permitting (England and Wales) Regulations 2010 as amended**

Reference:    B06/92  
Operator:     Boardcraft Ltd  
Installation:  15-16 Howard Road, Eaton Socon, St Neots PE19 8ET

Further to the PPC permit compliance inspection undertaken at the above installation on 22 November 2016, I am pleased to confirm that, at the time of the inspection, the permit conditions were being adhered to.

A risk assessment for air pollution control was undertaken and your installation scored 30 points. This classifies the installation as a low risk air pollution control site. I enclose a copy of the risk assessment for your records.

If you have any questions, please contact me on the number below.

Yours sincerely
